Not a second time - Beatles

```
C                    Ami
You know you made me cry
C                          Ami
I see no use in wondering why
G7          C  G7
I cried for you.
And now you've changed your mind
I see no reason to change mine
G7           Dmi7    G7
I cried it's through oh.
Dmi7                 Emi
You're giving me the same old line
C             Ami Dmi7
I'm wondering why you hurt me then
                  Emi   G7              Ami
you're back again no no no not a second time.
You know you made me cry
I see no use in wondering why
I cried for you.
And now you've changed your mind
I see no reason to change mine
I cried it's through oh.
You're giving me the same old line
I'm wondering why you hurt me then
you're back again no no no not a second time
not a second time.
```
