The other day I saw you as I walked along the road

but when I saw him with you I could feel my future fold

it's so easy for a girl like you to lie tell me why.
What goes on ...
I met you in the morning waiting for the tides of time
but now the tide is turning I can see that I was blind
it's so easy for a girl like you to lie tell me why.
What goes on in your heart.
I used to think of no one else but you were just the same
you didn't even think of me as someone with a name
did you mean to break my heart and watch me die
tell me why.
What goes on ...
