What You´re Doing2 - Beatles

```
D                         G        D             G
Look, what you're doing, I'm feeling blue and lonely
            Hmi                     G
Would it be too much to ask of you
                                  D
What you're doing to me

You got me running, and there's no fun in it
Why should it be so much to ask of you
What you're doing to me

G                        Hmi
I've been waiting here for you
G                                Hmi
Wondering what you're gonna do
E
And should you need a love that's true
      A
It's me

Please, stop your lying, you got me crying girl
Why should it be so much to ask of you
What you're doing to me
```
