You can't do that - Beatles

```
      D
I got something to say that might cause you pain
if I catch you talking to that boy again
    G                                D
I'm gonna let you down and leave you flat
          A7         G                      D
because I told you before, oh you can't do that.
Well it's the second time I caught you talking to him
do I have to tell you one more time I think it's a sin
I think I'll let you down and leave you flat
because I told you before, oh you can't do that.
            F#7 Hmi     Emi             F#mi     D
Everybody's green cause I'm the one who won your love
              F#7 Hmi  Emi
but if they'd seen you talking that way
       F#mi
they'd laugh in my face.
So please listen to me if you wanna stay mine
I can't help my feelings I go out of my mind
I'm gonna let you down and leave you flat
because I told you before, oh you can't do that.
Everybody's green cause I'm the one who won your love
but if they'd seen you talking that way
they'd laugh in my face.
So please listen to me if you wanna stay mine
I can't help my feelings I go out of my mind
I'm gonna let you down and leave you flat
because I told you before, oh you can't do that.
