

## Dammit - Blink 182

It's alright / to tell me / what you think / about me  
I won't try / to argue / or hold it / against you  
I know that / you're leaving / you must have / your reasons  
The season / is calling / and your pictures / are falling down

The steps that / I retrace / the sad look / on your face  
The timing / and structure / did you hear / he fucked her?  
A day late / a buck short / I'm writing / the report  
On losing / and failing / when I move / I'm flailing now

And it's happened once again  
I'll turn to a friend  
Someone that understands  
Sees through the master plan

But everybody's gone  
And I've been here for too long  
To face this on my own  
Well I guess this is growing up

Well I guess this is growing up

And maybe / I'll see you / at a movie / sneak preview  
You'll show up / and walk by / on the arm / of that guy  
And I'll smile / and you'll wave / we'll pretend / it's okay  
The charade / it won't last / when he's gone / I won't come back

And it'll happen once again  
You'll turn to a friend  
Someone that understands  
And sees through the master plan

But everybody's gone  
And you've been there for too long  
To face this on your own  
Well I guess this is growing up

4x

Well, I guess this is growing up  
Well, I guess this is growing up
