Devil In Disguise - Bluegrass Album Band

```
C       A#       C                A#            F
She's a devil in disguise you can see it in her eyes
                    C            A#       F           C        F
She's telling dirty lies she's a devil in disguise in disguise

C                     F              C
Now a woman like that all she does is hate you
                      F             C
She doesn't know what makes a man a man
                      F                     C
She'll talk about the times that she's been with you
       F                                 C
She'll speak your name to everyone she can

Repeat #1

C               F              C
Unhappiness has been her close companion
                     F            C
Her world is full of jealousy and doubt
                   F            C
It gets her off to see a person crying
      F                                C
She's just the kind that you can do without

Repeat #1

C                  F                C
Her number always turns up in your pocket
                  F             C
Whenever you are looking for a dime
                   F                  C
It's all right to call her but I'll bet you
    F                                    C
The moon is full and you're just wasting time

Repeat #1
