Letter From My Darling - Bluegrass Album Band

```
G
I can’t answer her letter
                   D7
For she left me no address
G
You should know my little darling
                 D7       G
You left my poor heart in distress

I got a letter from my darling
                       D7
She said she hated to go
   G
It broke my heart the words she wrote me
                     D7         G
She closed by saying I love you so

This letter meant goodbye forever
                                 D7
Though we'll have each other's hearts
    G
Our love will fade away in sadness
                 D7            G
Precious one why do we have to part

Repeat #2

She wrote the words she knew would hurt me
                           D7
She said I never could be true
     G
I've tried I've tried my little darling
            D7                G
To prove my love was just for you

Repeat #2
