

## How mountain girls can love - - Bluegrass

INTRO

G D G D G

CHORUS

C                   G  
Get down boys go back home  
D                   G  
Back to the girl you love  
C                   G  
Treat her right never wrong  
D                   G  
How mountain girls can love

VERSE 1

G  
Riding the night in the high cold wind  
          D                                    G  
On the trail of that old lonesome pine  
G  
Thinkin' of you feeling so blue  
D                   G  
Wonderin' why I left you behind

(CHORUS)

VERSE 2

Remember the night we strolled down the lane  
Our hearts were gay and happy then  
You whispered to me when I held you close  
We hoped that night would never end

(CHORUS)
