

Mighty dark to travel - - Bluegrass

It's mighty dark for me to travel
C G
For my sweetheart she has gone

The road is rough and filled with gravel

But I must journey on alone

To me she was a little angel

Sent down to me from God above
C G
And on the day that I first met her
D7 G
Then I told her of my love

Repeat #1

Many a night we strolled together

Talking of our love so fair
C G
My love for her will never vanish
D7 G
For I know I'll meet her there

Traveling down this lonesome highway

Thinking of my love that's gone
C G
Knowing soon we'll be together
D7 G
She's the only love I've known
