

Bell Of Freedom - Bon Jovi

GmiI have walked all aloneE
On these streetsH I call homeFmi
GmiStreets of hope, streets of fearE
Through the sidewalkH cracks time disappearsFmi

GmiI was lost, on my kneesE
On the eveH of defeatFmi
GmiAs I choked back the tearsE
There?s a silentH scream no one could hearFmi Gmi

HSo farB awayE from everythingFmi you know is true
HSomethingB insideE thatFmi makes you do what you got to do

HRing them bells,Cmi ring them loud
FmiLet them ring here and nowE
HJust reach out andFmi
ring the Bells of FreedomE

HWhen your world?s crashing downCmi
FmiLike you?re lost every roundE
HStand your groundFmi
And ring the Bells of FreedomE

Up the steps of the church
through the fields in the dirt
In the dark I have seen
that the sun still shines for the one who believes

So far away
so full of doubt and needing proof
Just close your eyes and hear the sounds inside of you

Ring then bells, ring them loud
Let them ring here and now
Just reach out and ring the bells of freedom
When your world's comes crashing down
like you've lost every round
Stand your ground
and ring the bells of freedom

Ring the bells, ring them loud
Let them ring here and now
Just reach out and ring the bells of freedom
Yeah, when your world comes crashing down
like you've lost every round
Stand your ground
And ring the bells of freedom

Ring the bells, ring them loud
Let them ring, here and now
Just reach out and ring the bells of freedom
