

## ring a bells of freedom - Bon Jovi

Gmi E  
I have walked all alone  
H Fmi  
On these streets I call home  
Gmi E  
Streets of hope, streets of fear  
H Fmi  
Through the sidewalk cracks time dissapered

Gmi E  
I was lost, on my knees  
H Fmi  
On the eve of defeat  
Gmi E  
As I choked back the tears  
H Fmi Gmi  
Theres a silent scream no one could hear

H B E Fmi  
So far away from everything you know is true  
H B E Fmi  
Something inside that makes you do what you got to do

H Cmi  
Ring them bells, ring them loud  
Fmi E  
Let them ring here and now  
H Fmi  
Just reach out  
E  
and ring the Bells of Freedom

H Cmi  
When your worlds crashing down  
Fmi E  
Like youre lost every round  
H Fmi  
Stand your ground  
E  
And ring the Bells of Freedom

Up the steps of the church  
through the fields in the dirt  
In the dark I have seen  
that the sun still shines for the one who believes

So far away so full  
of doubt and needing proof  
Just close your eyes and hear the sounds inside of you

Ring then bells, ring them loud  
Let them ring here and now  
Just reach out and ring the bells of freedom

When your world's comes crashing down  
like you've lost every round  
Stand your ground  
and ring the bells of freedom

Ring the bells, ring them loud  
Let them ring here and now  
Just reach out and ring the bells of freedom  
Yeah, when your world comes crashing down  
like you've lost every round  
Stand your ground  
And ring the bells of freedom

Ring the bells, ring them loud  
Let them ring, here and now  
Just reach out and ring the bells of freedom
