Like Only a Woman Can - Brian McFadden

```
C
I wasn’t perfect
G                          Am
I’ve done a lot of stupid things
Am           F
I’m still no angel
C                    G
I wasn’t looking for forgiveness
G                     Am
Wasn’t laid out by my pride
                F
Shocked by her attention

Bridge

Em                           Am
And someone signed me up for love
F
I didn’t want it
F                G
And now I can’t live without it

Chorus

C              G
She changed my life
Am
She cleaned me up
             F
She found my heart
F                  C
Like only a woman can
C            G
She pulls me up
                    Am
When she knows I’m sad
              F
She knows her man
                   C
Like only a woman can

G, Am, F

Second verse has same chords as first!

She’s kind of perfect
She’s kind of everything I’m not
Yeah, she’s an angel
And it’s amazing how she’s patient
Even more at times I’m not
She’s my conscience
And who decided I’d be hers
I wanna hate them
Cos now I can’t live without her

She changed my life
She cleaned me up
```

She found my heart
Like only a woman can
She pulls me up
When she knows I’m sad
She knows her man
Like only a woman can

Like only a woman can
And who decided I’d be hers
I wanna hate them
Cos now I can’t live without her

Oh, and she changed my life
She cleaned me up
She found my heart
Like only a woman can
She pulls me up
When she knows I’m sad
She knows her man
Like only a woman can
