My heart will go on - Celine Dione

```
Emi         D
Every night in my dreams
G           D
I see you I feel you
Emi         D          G
That is how I know you go on

Far across the distance
And spaces between us
You have come to show
You go on.

G    D        C        D
Near far wher ever you are
Emi                D          G
I believe that the heart does go on
G    D        C        D
Once more you open the door

           Emi        D
And you're here in my heart
       G             D      G
And my heart will go on and on

Love can touch us one time
And last for the last time
And never let go
Till we're one

Love was when I loved you
One true time
I hold to
In my life
We'll always go on

Near far...
There is some love
That will not go away

You`re here,there`s nothing I fear
And I know

That my heart will go on
We`ll stay forever this way
You are safe in my heart
And my heart will go on and on....
```
