Cher - Believe

(capo on fret 1)

F C Gm Bb x2

```
F             Fmaj7     Am
No matter how hard I try, you keep pushing me aside
      Bb                              C
and I can't break through, there's no talking to you.
        F               Fmaj7             Am
It's so sad that you're leavin', it takes time to believe it.
Bb                            C
But after all is said and done, you're gonna be the lonely one, oh...

well I can't do that, and there's no turnin' back.

I need time to move on, I need love to feel strong,
Bb                                    C
'cos I've had time to think it through, 'n maybe I'm too good for you, oh...
