

# The Voice Within - Christina Aguilera

The Voice Within

G  
Young girl don't cry  
I'll be right here when your world starts to fall C D  
G  
Young girl it's alright  
Your tears will dry, you'll soon be free to fly C D  
When you're safe inside your room you tend to dream Emi D G D  
Of a place where nothing's harder than it seems Emi D G D  
No one ever wants or bothers to explain Emi G D  
Of the heartache life can bring and what it means Emi D C D  
Chorus:  
When there's no one else, look inside your self G Cmi G Ami  
Like your oldest friend just trust the voice within A7 Cmi G  
Then you'll find the strength that will guide your way G Cmi G Ami  
You'll learn to begin to trust the voice within A7 Cmi G

Young girl don't hide  
You'll never change if you just run away  
Young girl just hold tight  
Soon you're gonna see your brighter day

Now in a world where innocence is quickly claimed  
It's so hard to stand your ground when you're so afraid  
No one reaches out a hand for you to hold  
When you look outside look inside to your soul

Chorus:  
When there's no one else, look inside yourself  
Like your oldest friend just trust the voice within  
Then you'll find the strength that will guide your way  
You'll learn to begin to trust the voice within

Life is a journey  
It can take you anywhere you choose to go  
As long as you're learning  
You'll find all you'll ever need to know  
(be strong)  
You'll break it  
(hold on)  
You'll make it  
Just don't forsake it because

No one can tell you what you can't do  
No one can stop you, you know that I'm talking to you

Chorus:

When there's no one else, look inside yourself  
Like your oldest friend just trust the voice within  
Then you'll find the strength that will guide your way  
You'll learn to begin to trust the voice within

Young girl don't cry  
I'll be right here when your world starts to fall
