A Cismi A E H E
haleluja, haleluja, haleluja, hale-le-le-e-lu-u-ja,

This song has a special gift and it's a sound into heaven lift
it's very nice but something I need more, and so I write a next some words
which can you tell a something more when you will sing those hallelujah

haleluja, haleluja,, haleluja, hale-le-le-e-lu-u-ja.

This song is sure more strong and if there is between us many wrong
So we can use it and something improve, when we will give it our next beleives
So it will sound every all and through and everybody will sing hallelujah

This song is new hymn for everyone and if you believe you know there's done
that all people will hear it in their longing to be with all people only in par
and only live in cosmic peace on our one round and only one small globe

Salam alejkum, šalom alejchem, salam alejkum, hale-le-le-e-lu-u-ja.

There's in heaven one creator only and instead of how we called him one
We are looking up tu him one forever and what we've ever dreamed up
and what did our prophets talk to us it's only about one omnibus Lord

Salam allejkum, there's only one God, šalom alejchem, hale-le-le-e-lu-u-ja,
Salem allejkum, there's only one Lord, šalom alejchem, hale-le-le-e-lu-u-ja.
