

Violet Hill - Coldplay

C#mi

Was a long and dark December
From the rooftops I remember
A There was snow

F#mi

White snow

C#mi A F#mi

Clearly I remember
From the windows they were watching
While we froze down below

A B C#mi B

When the future's architected
By a carnival of idiots on show
You'd better lie low

G#mi A G#mi E C#mi B C#mi

If you love me
Won't you let me know?

C#mi A F#mi

Was a long and dark December
When the banks became cathedrals
And the fog
Became God

C#mi A F#mi

Priests clutched onto bibles
Hollowed out to fit their rifles
And the cross was held aloft

A B C#mi B

Bury me in honour
When I'm dead and hit the ground
My Love is opposed when unfold

G#mi A G#mi E C#mi B C#mi

If you love me
Won't you let me know?

solo:

C#mi A F#mi

A B C#mi B

I don't want to be a soldier
Who the captain of some sinking ship
Would stow, far below

G#mi A G#mi E C#mi B C#mi

If you love me
Why'd you let me go?

A B C#mi F#mi E G#mi

I took my love down to Violet Hill

A B C#mi A

There we sat in snow

A B C#mi F#mi E G#mi

All that time she was silent still

G#mi A G#mi E C#mi B A
So if you loved me
Won't you let me know?

G#mi A G#mi E C#mi B C#mi
If you loved me,
Won't you let me know?
