

Overkill - Colin Hay

E Eb/B
I can't get to sleep
D C#/A
I think about the implications
Of diving in too deep
And possibly the complications

Especially at night
I worry over situations
I know will be alright
Perahaps its just my imagination

C#m B
Day after day it reappears
C#m B
Night after night my heartbeat, shows the fear
C#m B G# A
Ghosts appear and fade away (come back another day)

I can't get to sleep
I think about the implications
Of diving in too deep
And possibly the complications

Especially at night
I worry over situations
I know will be alright
It's just overkill

Day after day it reappears
Night after night my heartbeat, shows the fear
Ghosts appear and fade away
Ghosts appear and fade away
Ghosts appear and fade away
