                  Dm                                                  G
Well she's a two stack mack with a bunk in the back and she's chrome from head to toe
             Dm                                                 A                G  A  Dm
She's got a screaming cat that won't hold back so hammer down boys let her go
                                                              G
She's a lady of the night with her chicken lights I guess a couple hundred or so
      Dm                                                    Am  G  Dm
I get lost in the lines and the way she whines to that XM  radio

     Dm                          G
Well hey Mr. DJ play me a song  One about truckin all night long
Dm                                      A   G  A
I gotta girl she's a waitin at home for me
Dm                                G
This ole rig she sure is fast   spinnin the signs as she rolls past
   Dm                  Am       G    Dm
A long haul trucker is all I'll ever be
