C E Ami F  
Hey, doesn't it still look easy as it did to you  
C G C G  
Hey, wasn't it true, after all  
C E  
I couldn't help myself, girl  
Ami F  
And I can't blame you  
C G C  
The bigger the fool, the harder the fall

Living on old illusions, and some make believe  
That mattered to me, most of all  
Closing my eyes to changes I've refused to see  
The bigger the fool, the harder the fall

Somewhere in your future, on the far side of your world  
F Emi G  
You might read my writing on the wall  
C E Ami F  
And think of the easy dreamer who believed in you  
C G C  
The bigger the fool, the harder the fall.

If someday you wake up in a world that's turned on you  
And nobody answers when you call  
Hey, think of the easy dreamer who believes in you  
The bigger the fool, the harder the fall

Think of the crazy dreamer who believes in you  
The bigger the fool, the harder the fall.
