Promises - Cranberries

```
Em
You better believe i'm coming,
Hmi
You better believe what i say,
(?)
You better hold on to your promises,
C
Because you bet, you get what you deserve,

She's going to leave him over,
She's gonna take her love away,
So much for you eternal vows, well
It does not matter anyway.

Em                      Hmi
Why can't you stay here awhile,
          (?)
Stay here awhile,
          C
Stay with me
End

Chorus

Em    Hmi
Ohhh, all the promises we made,
        (?)
All the meaningless and empty words,
  C
I prayed, prayed, prayed,
Em    Hmi
Ohhh, all the promises we broke,
        (?)
All the meaningless and empty words,
  C
I spoke, spoke, spoke
End

What all the things that you taught me,
What of all the things that you'd say,
What of all you prophetic preaching,
You're just throwing it all away,

Maybe you should burn the house down,
Have ourselves another fight,
Leave the cobwebs in the closet,
Cos learning them out is just not right.
