1. Left a good job in the city
   Working for the man every night and day
   And I never lost one minute of sleepin'
   Worryin' 'bout the way things might have been

   Rollin', rollin', rollin' on the river

2. Cleaned a lot of plates in Memphis
   Pumped a lot of pane down in New Orleans
   But I never saw the good side of the city
   Till I hitched a ride on the Riverboat Queen

3. If you come down to the river
   Bet your gonna find some people who live
   You don't have to worry, cause you have no money
   People on the river are happy to give
