Ami E  
Play the game create the time,  
Ami  
With every move and line,  
E  
Jackal God against the Moon,  
Dmi  
And the game will be over soon.  
Ami  
Can you hear the Earth sighing?  
Dmi  
As he turns towards the sky,  
Ami  
The time of Ra is ending,  
F  
And the Sun begins to die.

Chorus:

F E  
Can you feel it changing?  
E Ami  
Can you see her in the night?  
Ami E  
Can you feel it changing?

Sky and Earth they are as one,  
Conceive daughter and sons,  
Sister, lover, Goddess, Queen,  
Mother to every living being,  
Your light creates a shadow,  
As you show your face unveiled,  
Your brother Set betrays you,  
There's a coffin on the Nile.

Chorus

Fourteen pieces to the wind,  
To all parts of the land,  
Scattered widely she will find,  
And make a lover from her hands,  
The rain, her tears of gladness,  
Fall to the fertile ground,  
And Set caught in his madness,  
To the desert he is bound.
