The Rowan star with magic guarding,
G               D           Emi  D/Hmi
Alder sight the future showing,
Emi               D           Emi  D/Hmi
Sweet Willow sees her Moon arising,

Ash the three realms he is touching,
Hawthorn tells us the May is coming,
Mighty Oak with strength is standing,
The Holly on his chariot riding.
Emi D Hmi

Chorus:
G           D   Emi             Hmi
Come follow me, come dance with me,

Emi             Hmi
Deep within the Greenwood Grove,
      D               Emi

Wise Hazel watches the salmon feeding,
The Faerie Apple seed is falling,
The Vine is ripe intoxicating,
I am the Ivy heed my warning.

Yellow Broom I offer healing,
Blackthorn sharp for death preparing,
The Elder is a life of learning,
Fir the distant future showing.
Emi D Hmi
(Chorus)

I am the gorse I am destroying,
Heather from death recreating,
Hear the Aspen's leaves a-whispering,
That Yew is death and life returning.
Emi D Hmi
(Chorus)
