

Under the Trees - Damh the Bard

[Intro]

C Ami C Ami

[Verse 1]

C Ami
Driving home at night, in the company of a storm,
C Ami
Endless tail-lights, I'm sitting here alone,
F C
Another day gone by, where do they all go?
F C G
It's getting harder to justify, a life on deathrow.

[Chorus]

C Ami
I wanna go where I can heal my soul,
F
Talk to the wisest people I know,
G
And I will go.
C Ami
The soothing sound of forest leaves,
F
And all my troubles start to ease,
Dmi
Forgive me please,
F Ami
You will find me, under the trees.

[Verse 2]

C Ami
When we are born, we are told,
C Ami
You're part of a great machine, no chance of parole,
F C
But life is a miracle, this I know so well,
F C G
It's time to turn the key, of my prison cell.

[Chorus]

C Ami
I wanna go where I can heal my soul,
F
Talk to the wisest people I know,
G
And I will go.
C Ami
The soothing sound of forest leaves,
F
And all my troubles start to ease,
Dmi
Forgive me please,
F Ami
You will find me, under the trees.

[Bridge]

Dmi F C
And I know that it's true, it's so much harder to do,

G
Than to say.
Dmi F C
All that I can say to you is come and meet me there too,
G
You know the way.

[Chorus]

C Ami
I wanna go where I can heal my soul,
F
Talk to the wisest people I know,
G
And I will go.
C Ami
The soothing sound of forest leaves,
F
And all my troubles start to ease,
Dmi
Forgive me please,
C Ami
I wanna go where I can heal my soul,
F
Talk to the wisest people I know,
G
And I will go.
C Ami
The soothing sound of forest leaves,
F
And all my troubles start to ease,
Dmi
If you agree,
F
Come and join me,
Ami
Under the trees.
