The longest train I ever saw  
                  D          G  
went down that Georgia line  
                  C          G  
the engine passed at six o'clock  
                  D          G  
and the cab passed by at nine.

R: In the pines in the pines where the sun never shines  
                                  D          G  
and we shiver wind the cold wind blows.

I asked my captain for the time of day  
he said he threw his watch away  
a long steel rail and a short cross tie  
I'm on my way back home.

R: In the pines ...

Little girl little girl what have I done  
that makes you treat me so  
you caused me to weep you caused me to mourn  
you caused me to leave my home.
