Annie's song - Denver, John

```
G              C  D  Emi  C            G
You fill up my senses     like a night in a forest
                   C        D       Emi    C           D
Like the mountains in springtime    like a walk in the rain
                    C  D     Emi    C           G
Like a storm in the desert   like a sleepy blue ocean
               C  D  C        D       G
You fill up my senses    come fill me again

Come let me love you,    let me give my life to you

Let me drown in your laughter,   let me die in your arms

Let me lay down beside you,   let me always be with you
A
Come let me love you,    come love me again
