

## Leaving On A Jet Plane - Denver, John

          G                          C  
All my bags are packed, I'm ready to go  
          G                          C  
I'm standing here outside your door  
          G                          C                  D  
I hate to wake you up to say goodbye  
          G                          C  
But the dawn is breaking, it's early morn,  
          G                          C  
The taxi's waiting, he's blowing his horn  
          G                          C                  D  
Already I'm so lonesome I could die

[Chorus]

          G                          C  
So kiss me and smile for me  
          G                          C  
Tell me that you'll wait for me  
          G                          C                  D  
Hold me like you'll never let me go  
          G                          C  
I'm leaving on a jet plane  
          G                          C  
    Don't know when I'll be back again  
          G                          C                  D  
    Oh babe, I hate to go

          G                          C  
There's so many times I've let you down  
          G                          C  
So many times I've played around  
          G                          C                  D  
I tell you now they don't mean a thing  
          G                          C  
Every place I go I'll think of you  
          G                          C  
Every song I sing I'll sing for you  
          G                          C                  D  
When I come back I'll bring your wedding ring

[Chorus]

          G                          C  
So kiss me and smile for me  
          G                          C  
Tell me that you'll wait for me  
          G                          C                  D  
Hold me like you'll never let me go  
          G                          C  
I'm leaving on a jet plane  
          G                          C  
    Don't know when I'll be back again  
          G                          C                  D  
    Oh babe, I hate to go

          G                          C  
Now the time has come to leave you  
          G                          C

One more time let me kiss you  
G C D  
Then close your eyes I'll be on my way  
G C  
Dream about the days to come  
G C  
When I won't have to leave alone  
G C D  
About the times I won't have to say

[Chorus]

G C  
So kiss me and smile for me  
G C  
Tell me that you'll wait for me  
G C D  
Hold me like you'll never let me go  
G C  
I'm leaving on a jet plane  
G C  
Don't know when I'll be back again  
G C D  
Oh babe, I hate to go
