Take Me Home, Country Roads - Denver, John

```
G             Emi
Almost heaven, West Virginia
D                       C        G
Blue Ridge Mountains, Shenandoah River
G                  Emi
Life is old there, older than the trees
D                           C              G
Younger than the mountains, blowing like a breeze

        G              D
Country roads, take me home
       Em          C
To the place, I belong
     G                   D
West Virginia, mountain mamma
        C             G
Take me home, country roads

All my memories, gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrops in my eyes

R: Country roads ...

Emi        D              G
I hear her voice, in the mornin' hours she calls to me
    C         G            D
The radio reminds me of my home far a-way
    Em               F             C             G
And drivin' down the road I get a feeling that I should have been home
D               D7
yesterday, yesterday

R: Country roads ...
