1. I'm just a ↑poor wayfaring stranger
                Ami                   Emi
   a travelling through this world of woe
   Emi
   and there's no sickness, toil or danger
                  Ami              Emi
   to that bright world to which I go.

               C                G
REF: I'm going there to meet my father
               C                H7
     I'm going there no more to roam
                Emi
     I'm just a going over Jordan
                Ami        Emi
     I'm just a going over home.

2. I know, dark clouds will gather 'round me
              Ami             Emi
   I know, my way is rath and steep
   Emi
   but beautious fields lay just before me
                Ami                   Emi
   where soul's redeemed that vigils keep.

               C                G
REF: I'm going there to meet my father
               C                H7
     I'm going there no more to roam
                Emi
     I'm just a going over Jordan
                Ami        Emi
     I'm just a going over home.
