Lay lady lay, lay across my big brass bed

Lay lady lay, lay across my big brass bed

Whatever colours you have in your mind
E F#mi A
I'll show them to you and you'll see them shine
A C#mi G Hmi A C#mi G Hmi
Lay lady lay, lay across my big brass bed

Stay lady stay, stay with your man awhile
Until the break of day, let me see you make him smile
His clothes are dirty but his hands are clean
And you're the best thing that he's ever seen
Stay lady stay, stay with your man awhile

Why wait any longer for the world to begin
C#mi Hmi A
You can have your cake and eat it too
C#mi E F#mi A
Why wait any longer for the one you love
C#mi Hmi
When he's standing in front of you

Lay lady lay, lay across my big brass bed
Stay lady stay, stay while the night is still ahead
I long to see you in the morning light
I long to reach for you in the night
Stay lady stay, stay while the night is still ahead
