

Love Sick - Dylan, Bob

Emi D
I'm walkin'

Through streets that are dead.

D
Walkin'

Emi
Walkin' with you in my head.

D
My feet are so tired,

B A
my brain is so wired,

Emi
And the clouds are weepin'.

Emi D
Did I

Emi
Hear someone tell a lie.

D
Did I

Emi
Hear someone's distant cry.

D
I spoke like a child,

B A
you just struck me with a smile,

Emi
While I was sleepin'.

G A
I'm sick of love,

G A Emi
And I'm in the thick of it.

G A
This kind of love,

G A Emi
I'm so sick of it.

Emi D
I see

Emi
I see lovers in the meadow.

D
I see

Emi
I see sillouettes in the window.

D
I watched them 'till they're gone

B A
and they leave me hangin' on,

Emi
To a shadow.

G A
I'm sick of love,

G A Emi
I hear the clock tick.

G A

This kind of love,
G A Emi
I'm lovesick.

Emi D
Sometimes

The silence can be like - thunder.

D
Sometimes

I wanna take to the road and - plunder.

D
Could you ever be true,

B A
I think of you,

Emi
And I wonder.

G A
I'm sick of love,

G A Emi
I wish I never met you.

G A
I'm sick of love,

G A Emi
I'm tryin' to forget you.

Emi D
Just don't know what to do,

C
I'd give anything to

B Emi
Be with you.
