Perfect - Ed Sheeran

```
G                  Em
I found a love for me.
               C                              D
Darling, just dive right in, and follow my lead.
                 G            Em
Well, I found a girl - beautiful and sweet.
            C                                     D
Oh, I never knew you were the someone waiting for me.

                                  G
'Cause we were just kids when we fell in love,
            Em
Not knowing what it was.
           C                 G   D
I will not give you up this time,
                   G
But darling, just kiss me slow,
                Em
Your heart is all I own,
              C                   D
And in your eyes you're holding mine.

      Em   C             G
Baby, I'm dancing in the dark
     D               Em
with you between my arms,
C                G
Barefoot on the grass,
D                  Em
listening to our favorite song.
         C                 G
When you said you looked a mess,
            D             Em
I whispered underneath my breath
        C
But you heard it,
         G        D            G D Em D C D
darling, you look perfect tonight.

               G                      Em
Well I found a woman, stronger than anyone I know.
               C                                          D
She shares my dreams, I hope that someday I'll share her home.
           G            Em
I found a love to carry more than just my secrets,
         C                              D
To carry love, to carry children of our own.

                             G
We are still kids, but we're so in love,
```

```
         Em
Fighting against all odds.
             C               G  D
I know we'll be alright this time.
              G
Darling, just hold my hand.
                 Em
Be my girl, I'll be your man.
         C              D
I see my future in your eyes.

      Em   C             G
Baby, I'm dancing in the dark,
     D              Em
with you between my arms,
C               G
Barefoot on the grass,
D                 Em
listening to our favorite song.
       C                G                 D
When I saw you in that dress, looking so beautiful,
  Em        C                  G         D        G
I don't deserve this, darling, you look perfect tonight.
