

Enchanter - Elizaveta

Ami

Enchanters!

C

The time has come to be alive

F

With the Circle of Magi

G

We will thrive with our brothers

Ami

Enchanters remind

C

That time cannot unwind

F

G

The dragon's crooked spine

Ami

Will never straighten into line

Ami

What our plea, will be

C

A faithful end decree

F

Where a man will not retreat

G

From the defeat of his fathers

Ami

Enchanters!

C

A time has come for battle lines

F

G

We will cut these knotted ties

Ami

And some may live and some may die

Ami

Enchanter, come to me

C

Enchanter, come to me

G

Enchanter, come to see

G

Can-a you, can-a you come to see?

Ami

As you once were blind

C

In the light now you can sing

F

G

In our strength we can rely

Ami

And history will not repeat
