Down Under - - Filmové melodie

```
Ami                 G                Ami  F G
    Travelling in a fried out kombie---,

Ami            G                  Ami     F G
    on a hippy trail head full of zombie.

Ami                 G     Ami         F G
    I met a strange lady, she made me nervous.

Ami             G              Ami         F G
    she took me in and gave me breakfast,  and she said

C                     G                Ami   F G
  Do you come from a land down under---

C               G          Ami     F G
  where women glow and men plunder?

C                     G               Ami   F G
  cant ya hear can ya hear the thunder---

    C               G                Ami    F G
you better run, you better take cover---

Buying bread from a man in Brussels,
he was six foot four and full of muscles.
I said do you speak my language?
He just smiled and gave me a Vegemite sandwich.
And he said:

i come from a land down under,
Where beer does flow and men chunder.
cant you hear cant you hear the thunder?
You better run you better take cover.

Lying in a den in Bombay,
with a slackjaw and not much to say.
i said to the man "Are you trying to tempt me?
Because i come from the land of plenty."
and he said:

Do you come from a land down under---
where women glow and men plunder?
cant ya hear can ya hear the thunder---
you better run, you better take cover---
