   C
If I would tell you
     Am
How much you mean to me
    F                       G
I think you would not understand it.
      C
So I wait, I wait
   Am
Until this day comes
     F              G
When you will understand me.

    C
But I can't help myself
Am                    F
I can't stop myself
             G
I am going crazy
C
I can't stop myself
Am                     F
Cannot control myself
             G
I am going crazy

Refrein:
      C
And I love you

I want you
   F                  C
I wanna talk to you
            G
I wanna be with you
   C
I love you

I want you
   F                 G
I wanna talk to you
   G
I wanna be with you

    C
I cannot change it
  Am
```

```
I'm sure not making it
F                   G
(in) One big hell of a fuss
  C
I cannot turn my back
  Am                 F
I've got to face the fact
                         G
Life without you is hazy

Am                      F
Kiss me, thrill me, don't say goodbye
Am                    F
Hold me, love me, don't say goodbye
F          G
Oh uho oh oh uho

              C
Don't say goodbye

 C
But I can't help myself
 Am              F
I can't stop myself
                G
I'm going crazy
 C
I cannot turn my back
 Am                   F
I've got to face the fact
                    G
Life without you is hazy

F         G
Oh uho uho oh
F          G
No uho oh oh
             C
Kiss me goodbye
```
