Invisible - - Filmové melodie

```
Intro:
G  A Hmi  D x3  Em  D  A

Verse:
Hmi             G
I can feel you all around
Hmi                 G
   In this silence, I hear the sound
Hmi                  G
   Of your footsteps on the ground
       D     A     G            A
And my heart slows down, so now I

Chorus:
    G           A   Hmi
I'm waiting for the moonlight
     D            G       A       Hmi
So I can find you in this perfect dream
      D                  G          A      Hmi
Don't think that you can hide there in the shadows
D                  Em  D  A
  Girl, you're not invisible
                       Hmi   G   Hmi G
You're all that I can see

Verse:
Hmi                  G
Something’s changing deep inside
Hmi                 G
   All my hopes are coming alive
Hmi                G
   As we’re fading into the tonight
      D   A    G        A
I can see your eyes, so I’ll keep on

Chorus:
G           A   Hmi
Waiting for the moonlight
     D            G       A       Hmi
So I can find you in this perfect dream
      D                  G          A      Hmi
Don't think that you can hide there in the shadows
D                  Em  D  A
 Girl, you're not invisible, you're all that I can

Bridge:
Em
See in the darkness,
  Hmi                      D                 A
Believe we can make this, all we want is to be
         Emi                       Hmi
We can't stay here forever 'cause we'll work together
 Hmi             A                  Hmi  G
Stuck in a fantasy, I don't wanna leave

Chorus:
               G           A   Hmi
And I'll keep waiting for the moonlight
     D            G       A      Hmi
```

```
So I can find you in this perfect dream
      D                  G          A      Hmi
Don't think that you can hide there in the shadows
D                  Em  D  A
  Girl, you're not invisible
    G           A   Hmi
I'm waiting for the moonlight
     D            G       A       Hmi
So I can find you in this perfect dream
      D                  G          A      Hmi
Don't think that you can hide there in the shadows
D                  Em  D  A
  Girl, you're not invisible
                 Em  D  A
Girl, you’re not invisible
                      Hmi  G
You’re all that I can see
       D     A     G
And my heart slows down
```
