

Les jours tristes - amelie z montmartu - - Filmové melodie

Gmi D# Gmi
It's hard, hard not to sit on your hands
D# Gmi
and bury your head in the sand
D# Gmi
hard not to make other plans
D# Fmi D#
and claim that you've done all you can all along
Fmi D#
and life must go on

it's hard, hard to stand up for what's right
and bring home the bacon each night
hard not to break down and cry
when every idea that you've tried has been wrong
but you must carry on

Refrain:

A# Fmi Gmi
it's hard but you no it's worth the fight
D A#
'cause you know you've got the truth on your side
Fmi Gmi D
when the accusations fly, hold tight
A# Fmi Gmi
don't be afraid of what they'll say
D A#
who cares what cowards think, anyway
Fmi Gmi D
they will understand one day, one day

It's hard, hard when you're here all alone
And everyone else has gone home
Harder to know right from wrong
When all objectivities gone
And it's gone
But you still carry on
'Cause you, you are the only one left
And you've got to clean up this mess
You know you'll end up like the rest
Bitter, twisted, unless
You stay strong and you carry on

Refrain:

it's hard but you no it's worth the fight
'cause you know you've got the truth on your side
when the accusations fly, hold tight
don't be afraid of what they 'll say
who cares what cowards think, anyway
they will understand one day, one day
