## May It Be - - Filmové melodie

```
       F#mi          D
May it be an evening star
       A/C#      E/H
Shines down upon you
       F#mi             D
May it be when darkness falls
     A/C#          E/H
Your heart will be true
    D             A/C#
You walk a lonely road
        Hmi              Esus  E
Oh! How far you are from home

A    F#mi/C#   D   Esus  E
Mornië        utúlië (darkness has come)
  A         E/H      D         Esus  E
Believe and you will find your way
A    F#mi/C#   D    Esus  E
Mornië        alantië (darkness has fallen)

May it be the shadow's call
Will fly away
May it be you journey on
To light the day
When the night is overcome
You may rise to find the sun

A promise lives within you now

A promise lives within you now
