Life is old there,   older than the trees,

younger than the mountains

growin' like a breeze.

 Emi        D            G
I  hear her voice in the morning hour she calls me,
   C          G            D
The radio reminds me of my home far away
   Emi                F           C
And  driving down the road I get a feeling
       G                   D                  D7
that I should have been home yesterday, yester day.
