

## You Got It - - Filmové melodie

E D E D,A  
Everytime I look Into yourA lovely eyes  
E D A H D  
I see a love that money Just can't buy  
E C#mi G#mi H  
One look from you I drift away and  
E C#mi G#mi H  
I pray that you Are here to stay

E G# C#mi A  
Any thing you want You've got it  
E G# C#mi A  
Any thing you need You've got it  
E G# C#mi A H  
Any thing at all You've got it

Everytime I hold you I begin to understand  
Everything about you Tells me I'm your man  
I live my life To be with you  
No one can do The things you do

I'm glad to give My love to you  
I know you feel The way I do
