Robert's got a quick hand
      D                               A
He'll look around the room, he won't tell you his plan
     Em                    G
He's got a rolled cigarette
       D                       A
Hanging out his mouth, he's a cowboy kid
        Em                     G
Yeah, he found a six-shooter gun
       D                     A
In his dad's closet, in the box of fun things
Em                   G
I don't even know what
         D                           A
But he's coming for you, yeah, he's coming for you

Em                          G
All the other kids with the pumped up kicks
           D                A
You better run, better run, outrun my gun
Em                          G
All the other kids with the pumped up kicks
           D                A
You better run, better run, faster than my bullet
Em                          G
All the other kids with the pumped up kicks
           D                A
You better run, better run, outrun my gun
Em                          G
All the other kids with the pumped up kicks
           D                A
You better run, better run, faster than my bullet

Em                    G
Daddy works a long day
      D                           A
He be coming home late, and he's coming home late
         Em                   G
And he's bringing me a surprise
       D                                 A
'Cause dinner's in the kitchen and it's packed in ice
     Em                   G
I've waited for a long time
          D                             A
Yeah, the sleight of my hand is now a quick-pull trigger
  Em                     G
I reason with my cigarette
          D                                    A
Then say, "Your hair's on fire, you must've lost your wits, yeah?"

Em                          G
All the other kids with the pumped up kicks
           D                A
You better run, better run, outrun my gun
Em                          G
