G C  
She only bitches when she breathes

2. She was always smilin'  
Shy in many ways  
She always kept me hangin'  
On every word she'd say  
She was sweeter than honey  
And every man's dream  
She said let's tie the knot  
We'll make the perfect team

And buy some new underwear, because these won't come clean  
And by the way, not tonight, I have a headache
