

## Iris - Goo Goo Dolls

Bm4/7 Bm7/ G9 G7+

          D          Em          G  
And I'd give up forever to touch you  
          Bm                  A9          G  
Cause I know that you feel me somehow  
          D          Em          G  
You're closest to heaven that I'll ever be  
          Bm          A9          G  
And I don't want go home right now  
          D          Em          G  
And all I can taste is this moment  
          Bm          A9          G  
And all I can breath is your life  
          D          Em          G  
And sooner or later it's over  
                  Bm          A9          G  
I just don't want to miss you tonight

          D                  A9          G  
And I don't want the world to see me  
          Bm                          A9          G  
Cause I don't think that they'd understand  
          D          A9          G  
When everything's made to be broken  
          Bm          A9          G  
I just want you to know who I am

And you can't fight the tears that ain't coming  
or the moment of truth in your lies  
When everything just feels like the movies  
Yeah, you bleed just to know you're alive
