Lords Of The Boards - Guano Apes

I've got the snowboard under my feet
I can fly so high, I can fall so deep
But who do I see comin' up the track
A little green man with the snowboard on his back

He said: And now I'm flying like an angel to the sun
My feet are burning and I grab into another world

With the lords of the boards you'll come and get around
With the lords of the boards, go mad like a clown

I can stay behind him if I can
I wanna be a little more than an "also-ran"
Through every curve He's got me beat
And maybe it's time that I accept defeat

And now I'm flying like an angel to the sun
My feet are burning and I grab into another world

With the lords of the boards you'll come and get around
With the lords of the boards, go mad like a clown (4x)
