SONG: I Know Where I've Been
ARTIST: Marc Shaiman & Scott Wittman

From the musical, Hairspray

Intro:

G   C/G   Dm/G   C/G
G   C/G   G   D    C/D

          G            B+       B7
There's a light in the darkness
           Em                   Cm
Though the night is black as my skin
          G             B+#9   Em    G7/D        F#7(#9)
There's a light burning bright showing me the way
    B7(#5)            Em   C/D
But I know where I've been

G                    B+
There's a cry in the distance
       Em                            Cm   Dm/C    Cm
It's a voice that comes from deep within
          G          B+#9
There's a cry asking why
           Em     G7/D  C     F#7(#9)
I pray the answer's up ahead,
       B7(#5)            Em
'cause I know where I've been

          Am7             Em
There's a road we've been trav'lin'
        Am7         Em
Lost so many on the way
        Bm             C7
But the riches will be plenty
         C#dim7     A#dim7          Bsus4  B  D    C/D
With the price, the price we had to pay

          G            B+   B7
There's a dream in the future
          Em                      Cm Dm/C  Cm
There's a struggle we have yet to win
            G/D         B7#9/D#
And there's pride in my heart
       Em   G7/D        C      G/B   Am7
'cause I know where I'm going, yes I do
    C/D               G
And I know where I've been, yeah

           Am7
(There's a road)
There's a road
         Em
```

```
(We must travel)
We must travel
           Am7
(There's a promise)
There's a promise
         Em
(We must make)
We must make
           Bm
(Cause the riches)
Cause the riches
         C
(Will be plenty)
Will be plenty
           C#°7
(Worth the risk,)
Worth the risk
                         Bsus4  B    D    D#
And the chances that we take

          G#           C+   C
There's a dream in the future
          Fm                       C#m D#m/C#  C#m
There's a struggle we have yet to win
         G#/D#        C7(#5)/E
Use that pride in our hearts
   Fm              C#     G7
To lift us up to tomorrow
                   C7+              Fm
'cause just to sit still would be a sin
              Fm/D#                 Cm7  A#m7
(I know it, I know it, I know where I'm goin')
           C#/D#                   G#
Lord knows I know where I've been
  C+           C#
Oh, when we win
                        C#m/E
I'll give thanks to my God
         F#(add2)        G#
'cause I know where I've been
```
