Emi7 022033      C* x32013      A  x02220       Dsus4  xx0233
G    320033      D  x00232      F  133211       C      x32010

Sloka 1
Em7                               C*        G                    D
She said there's nothing elven on her now   But I....... know she's wrong      She
Em7                 C*              G              D
said she wanna fly away         But how, she don't know

Bridge
A                           C
I'm gonna wait for another day   I'm gonna make up what to
G                                 F     C     G     C
say     I'm gonna find out what to do                  And

Refren
G       Dsus4       A                                C
I...... saw  you    dancing with the fairies in the woods
G       Dsus4       A                                C       G
I...... saw  you    dancing with the fairies in the woods

Solo
Em7     Dsus4   A       C       G       G

Sloka 2
Em7                                C*         G          D
She said she could not stay with me     And now she is sure
Em7                       C*              G                D
I never gave her what she needs    But we kept     walking on

Bridge
A                            C
I'm gonna wait for you to call   It's gonna be another
G                                       F     C     G     C
fall     It's getting hard to talk to you                 And

Refren
G       Dsus4       A                                C
I...... saw  you    dancing with the fairies in the woods
G       Dsus4       A                                C
I...... saw  you    dancing with the fairies in the woods
