

## When day is done - - Jazzové standardy

Since you've gone away, one thing is clear to me,  
You were dearer than dear to me  
From the moment you came.  
Evenings by your side, I learned to love the night,  
But the loveliness of the night  
Is no longer the same.

Chorus:

When day is done and shadows fall,  
I dream of you.  
When day is done, I think of all the joys we knew  
That yearning returning to hold you in my arms,  
Won't go, love, I know, love,  
Without you night has lost its charms!  
When day is done and grass is wet with twilight's dew,  
My lonely heart is sinking with the sun.  
Although I miss your tender kiss the whole day through,  
I miss you most of all when day is done.

Vesper bells are ringing, somewhere far away,  
There's a silvery star away  
At the edge of the sky.  
Work is done, and life is like a song to me,  
For some treasures belong to me  
That no money can buy.

Chorus:

When day is done and shadows fall,  
I dream of you.  
When day is done, I think of all the joys we knew  
That yearning returning to hold you in my arms,  
Won't go, love, I know, love,  
Without you night has lost its charms!  
When day is done and grass is wet with twilight's dew,  
My lonely heart is sinking with the sun.  
Although I miss your tender kiss the whole day through,  
I miss you most of all when day is done.
