## An Angel - Kelly Family

```
C                      Dmi
I wish I had a pair of wings
G                         C
Had them last night in my dreams
  Ami               Dmi
I was chasin' butterflies
G                         C
Till the sunrise broke my eyes

Tonight the sky has glued my eyes
Cause what they see's an angel hive
I've got to touch that magic sky
And greet the angels in their hives

   C                          F    G
R: Sometimes I wish I were an angel
       C                   G
   Sometimes I wish I were you
   C                          F    G
   Sometimes I wish I were an angel
       C       G           C
   Sometimes I wish I were you

And all sweet honey from above
Pour it all over me sweet love
And while you're flying around my head
Your honey kisses keep me fed

I wish I had your pair of wings
Just like last night in my dreams
I was lost in paradise
Wish I'd never opened my eyes

R: Sometimes ...

But there's danger in the air
Tryin' so hard to be unfair
Danger's in the air
But we are not afraid
