C  
Everytime I look at your face  
F C  
I get this feeling  
C  
Everytime I look in your eyes  
F G  
It starts healing  
C  
Everytime we walk side by side  
F C  
Yes, I get this feeling

C  
Because it's love  
G C  
Yes it's love, oh it's love

F G  
And we climb a step  
C F  
Every day it's you and I  
G  
We climb a step  
C  
Every day and every night

C  
It's everytime you look at my face  
F C  
You give me this feeling  
C  
Everytime you look in my eyes  
F G  
My heart starts to tumble

Oh I think of you all the time  
F C  
It's you I believe in

C  
Because it's love ...

F G  
And we climb a step ... (3x)

Everytime I look at your face

Because it's love
